This year we are dedicating our yearbook to three different people who have been employed by our school system for seven years or more. We dedicate this 1963 yearbook to the following: Mrs. Maude Emlinger, Mrs. Maryellen Boehringer and Mrs. Donna Johnson.

Dedication

Dedication

Mrs. Emlinger has served as our school cook for the last eight years. Everyone knows and admires her and her fine recipes. She is an excellent cook and has a warm heart for everyone. We hope she will continue to cook for our schools for many more years.

We dedicate our yearbook to these three fine people and wish them the best of luck in the future.

Mrs. Boehringer has taught Kindergarten for the past seven years. This is a very important time in the life of a school child and Mrs. Boehringer has done a fine job in developing the many learning situations of this age child. She is an excellent teacher and a good friend, and a beloved member of our school system.

Mrs. Johnson has taught at different grade levels in the past seven years. There is hardly a student in our school system who does not know and admire Mrs. Johnson. She is a very devoted and excellent teacher. She has coached the Cheerleaders for the past three years. We hope she returns to our school system again soon.
